

BPI MARKET INFORMATION SERIES 2010

The BPI Market Information Series has now switched to a main format of 12 monthly reports, resulting in a substantial increase in the amount of data and analysis offered.

The annual charge is £400 (with a 50% discount for schools, colleges and universities) and includes:

1 copy of the *BPI Statistical Handbook*

Market Information Series:

- 12 monthly Market Information reports on PDF format – these replace the previous quarterlies *Trade Deliveries*, *Music Buyers* and *Compilations* and also include additional data, in-house and third party research and comment
- Annual information sheets such as *Sales by Type of Music*
- Ad hoc research information – in the past this has included sheets on *Certified Awards*, *British Music in America*, *Mobile Music* and *Digital Albums*
- Free access to previous reports

Please complete this slip and return it to the address below. Call us on 020 7803 1300 if you have any queries.

Market Information series 2010
